VOTE Leslie Nolin for Lions Bay Councillor

Email. VoteLeslieNolin@gmail.com
Web. LeslieNolin.ca

I'm Leslie Nolin and our family has resided here for almost 30 years. We were once a small quiet hidden jewel and in 2026 we need resident first fiscally minded approaches to sharing our **Splendour & Serenity** with the public. Best practices are abundant- we just need action.

Once a nurse always a nurse – and triaging facts, metrics, diagnostics, and making decision for the complete benefit of others is in my DNA. I have a track record of proactive solution focused problem solving and we need factual fulsome planning that considers all generations and our environment at the council table.

Lions Bay was built on passionate volunteerism – for many this mountain is a playground, gym and spa all rolled into one. Our community relies on the actionable contributions of volunteers. I am one.

Recent community track record:

- Housed over 25 firefighters-- work to link inbound first responders with residents with accommodations (ongoing) 2004-current
- Treasurer, Lions Bay Arts 2023-current: increased community engagement, outreach, communications, income and programing.
- Emergency Support Services (ESS) grant writer- 2024 \$30,000 award for emergency support equipment, \$40,000 award for the 2026 Evacuation Plan.
- ESS co-director 2022-2023-worked collaboratively to assess community's needs and take stock of its financial position and capacity.

▲ Let's focus on working through challenges, prioritize safety and security, ▲ ensure all who reside on this mountain are considered when shaping change. ▲ Complete an OCP that isn't development focused but one that reflects the safety and values of residents. ▲ Let us face the difficult issues honestly and work to bring forward realistic achievable actions.

I'm Leslie Nolin **a Strong Voice for a Community for All.**
